**Poteau Primary
School Cafeteria
Tuesday,
February 11th
4:00-6:30**

**Choice of chili, frito chili pie, or chili dog
and a drink \$5.00.....Carryout Available**

Britain is the son of Poteau Primary PreK teacher Sheila Castillo. He was diagnosed with leukemia in October 2019 while serving in the US Navy aboard the USS Abraham Lincoln. He is currently receiving treatments at the Walter Reed Military Hospital in Bethesda, Maryland. Money raised from the benefit will help with Mrs. Castillo's traveling expenses each week as she flies to and from Maryland and other unexpected expenses.

If you are not able to attend the benefit but would like to donate, donations will be accepted in the Primary School and PreK offices Tuesday and Thursday evening during conferences.
